

30th Annual Spring Conference **Exhibitor Information**

www.mdgerontology.org

Our 30th Annual Conference will be held **Thursday, June 7, 2012** at Erickson Living at Charlestown in Catonsville.

As in previous years, we anticipate over 250 professionals in the field of aging to attend this conference. Again this year we expect the exhibitor space to be in the conference hall. Last year we had so much interest that we had to have a few exhibitors in the registration area. Both locations enable you to attend the conference and receive CEUs if you wish to do so. CEUs are included with each registration fee. The feedback from our supporters, exhibitors, and conference attendees is that these locations are a significant benefit since they facilitate networking.

Topics for this year's conference include: trends in providing health care to older adults, innovations to keep older adults in the community, addressing mental health needs, and hot topics for health care providers. Speakers include: Joshua Sharfstein, Mark Leeds, Stephanie Hull, Liz Burridge, Karen Schoeneman, Barbara Soniat, Anna E. Fowlkes, and Laura Feldman.

Similar to last year, exhibitors will be able to set-up exhibit tables the day before the conference.

We have kept the supporter and exhibitor fees the same as last year.
