Hoarding: Everything You've Always Wanted to Know

8:30 am - 4:30 pm

X

**Waxter Senior Center:
1001 Cathedral Street, Baltimore, MD 21201**

Workshop Objectives:

T

Definition of Hoarding by Dr. Samuels: Learn the definition of hoarding and how it impacts individuals from the health and social perspective.

Assessment of Individuals that Hoard by Dr. Galik: Learn the factors that influence hoarding, the risk factors for developing or worsening hoarding behaviors and the assessment and possible associated mental health problems of individuals that hoard.

E

The Treatment of Hoarding Across the Adult Life Span by Dr. Chasson: Learn behavioral interventions for hoarding as well as the different ways to treat hoarding when an individual has obsessive compulsive behavior verses when they do not.

Special Cases of Hoarders: Case Example: Dr. Resnick & Cindy Zonies: Learn about real life examples of older adults living in senior housing facilities and older adults with cognitive impairment.

R

5.5 Social Work CEU's are available!

The Maryland Gerontological Association (MGA) is an approved provider of social work continuing education by the Maryland Board of Social Work Examiners. This program has been approved for 5.5 Category I continuing education credits. MGA maintains responsibility for the program.
